TOREP NAM-311 FROM OASD/ISA SIGNED IRWIN.
EXCLUSIVE FOR DEP ASST SEC OF DEF R. H. KNIGHT AND BRIG GEN
H. C. PATTISON J-5 JCS.

PART I - High level discussions with British raised question whether procedures actually followed by British and French at road, rail, and air, and if applicable, water checkpoints, and in transiting East Germany to and from Berlin are different from those followed by US. Also determine if USSR follows different procedures with British. Request that those taken with US. Request you check above with informed US and Allied sources and include in group report.

PART II - Request review with Norstad and Hodes and U. S. Embassies the type and nature of Berlin contingency planning including tripartite and, if any, quadripartite being done in Europe. What is being done in Germany, in Paris or elsewhere and by what headquarters or embassies?
